

WARNING: PLEASE CAREFULLY READ THE PRECAUTIONS BOOKLET INCLUDED WITH THIS PRODUCT BEFORE USING YOUR NINTENDO® HARDWARE SYSTEM, GAME PAK OR ACCESSORY. THIS BOOKLET CONTAINS IMPORTANT SAFETY INFORMATION.

IMPORTANT SAFETY INFORMATION - READ THE FOLLOWING WARNINGS BEFORE YOU OR YOUR CHILD PLAY VIDEO GAMES

Some people (about 1 in 4000) may have seizures or black outs triggered by light flashes, such as while watching TV or playing video games, even if they have never had a seizure before.

Anyone who has had a seizure, loss of awareness, or other symptom linked to an epileptic condition should consult a doctor before playing a video game.

Parents should watch when their children play video games. Stop playing and consult a doctor if you or your child have any of the following symptoms:

Convulsions
Altered vision

Eye or muscle twitching Involuntary movements

Loss of awareness Disorientation

To reduce the likelihood

1. Sit or stan

2. Play video

3. Do not pla,

need sleep.

4. Play in a well-lit room.

5. Take a 10 to 15 minute break every hour.

WARNING - Repetitive Motion Injuries

Playing video games can make your muscles, joints or skin hurt after a few hours. Follow these instructions to avoid problems such as Tendonitis, Carpal Tunnel Syndrome or skin irritation:

- Take a 10 to 15 minute break every hour, even if you don't think you need it.
- If your hands, wrists or arms become tired or sore while playing, stop and rest them for several hours before playing again.
- If you continue to have sore hands, wrists or arms during or after play, stop playing and see a doctor.

WARNING - Battery Leakage

Leakage of battery acid can cause personal injury as well as damage to your Game Boy. If battery leakage occurs, thoroughly wash the affected skin and clothes. Keep battery acid away from your eyes and mouth. Leaking batteries may make popping sounds.

To avoid battery leakage:

- Do not mix used and new batteries (replace all batteries at the same time).
- Do not mix alkaline and carbon zinc batteries.
- Do not mix different brands of batteries.
- Do not use nickel cadmium batteries.
- Do not leave used batteries in the Game Boy. When the batteries are losing their charge, the power light may become dim, the game sounds may become weak, or the display screen may be blank. When this happens, promptly replace all used batteries with new batteries.
- Do not leave batteries in the Game Boy or accessory for long periods of non-use.
- Do not leave the power switch on after the batteries have lost their charge. When you finish using the Game Boy, always slide the power switch OFF.
- Do not recharge the batteries.
- Do not put the batteries in backwards. Make sure that the positive (+) and negative (-) ends are facing in the
 correct directions. Insert the negative end first. When removing batteries, remove the positive end first.
- Do not dispose of batteries in a fire.

Game Modes

There are three different game modes available in Sports Illustrated For Kids Baseball.

They consist of Exhibition Play, Season Play and Multiplayer Link Play.

Exhibition

Exhibition Mode allows you to play 9 innings of baseball against a computer opponent. You can choose which team you want to use, as well as the team the computer will use.

Records and stats are not kept and there are no restrictions on which team can be selected.

Starting a Game

From the Main Menu select the Exhibition tab and press the 🙆 Button.

Choosing a Team

Press ▲ or ▼ on the Control Pad to select the team that you want to use. Next press ◀ or ▶ to select the skill level of your team. A higher number indicates better players, but they require more skill to use successfully. After your team and skill have been selected press the ② Button. Now select the team and skill level of the computer controlled team and press the ② Button.

Season

The goal of the season mode is to build up your team and become the champion. You must play through 3 leagues and become the champion of each one. The skill level in each league will increase as you move through them. Lucky for you, every game you play earns your team some experience points. Use these experience points to improve your players and become a champion.

Loading a Team

The first time playing a season there will be no teams saved. Select a slot to create a team and press the ② Button. If you have saved a team select it from the list and press the ③ Button to load your team and continue your season.

Choosing Your Home State

Press or not be control Pad to highlight your team's home state on the map and press the (a) Button to select the state.

Choosing Your Team's Color

You can choose your team's uniform color by pressing \triangle or ∇ on the Control Pad and your team's sock and sleeve color by pressing \triangleleft or \triangleright on the Control Pad. When you have made your decision press the \bigcirc Button to continue.

Entering Your Team's Name

After selecting your home state it is now time to choose your team's name. Use the Control Pad to select a letter and the ② Button to choose the selected letter. When you are finished select END and press the ② Button.

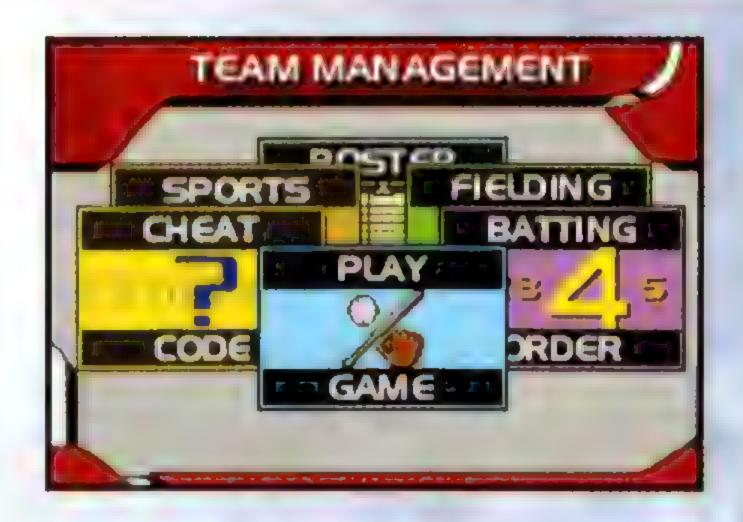

Ehoosing the Team's Playing Style

There are four styles that you can model your team after. Each team type has its own strength and weaknesses. It is up to you to build your team into a champion.

After you select the Team Style by pressing **A** or **V** on the Control Pad, press the **A** Button to continue.

Fast Runners
Good Hitters
A team that is balanced in all areas.
A team that has fast base runners.
A team that is good at making contact with the baseball.
Good Pitching A team that has players with strong throwing arms.

Team Management

After you create your team this is the area where you can make all of your management decisions. Scroll through the various cards by pressing ◀ or ▶ on the Control Pad. Pressing the ❷ Button will select the card that is directly in front of you.

Play Game

Selecting this card will start you playing the next game in your season.

Batting Order

This area allows you to set your team's batting order. Use \blacktriangle and \blacktriangledown on the Control Pad to highlight a player, press the O Button to highlight him, and use the Control Pad again to move him \blacktriangle and \blacktriangledown in the lineup. When the player is in the location that you want him in press the O Button again to set his location. When you are finished press the O Button to return to the Team Management area.

Fielding Assignments

This area allows you to assign your players their position in the field. Use ▲ and ▼ on the Control Pad to highlight a player, then press the ② Button to select him. Then use the Control Pad again to highlight the player to that you want the first selected player switch positions with and press the ② Button to switch. When you are finished press the ③ Button to return to the Team Management area.

Roster

This area allows you to see the players on your team and view their stats. Use ▲ and ▼ on the Control Pad to highlight a player and press the ② Button to view their stat sheet. The first column of stats is the current season stats and the other column is lifetime stats. The stats are updated after every completed season game. When you are finished press the ③ Button to exit.

Sports Page

This area displays the current league standings.

Cheat Codes

This area allows you to enter secret codes to unlock bonus items in the game. Use the Control Pad to highlight a letter, the ② Button to select the letter and highlight END and press the ③ Button when you are finished.

After A Season Game

Training

After each season game you have the opportunity to train all of your team members in a training event.

Highlight a training event from the list of options by using \triangle or \forall on the Control Pad and use the \bigcirc Button to make your choice.

Strength
Speed

affects batting and throwing power
affects a player's movement in the
field and on the bases
Agility
